

Error #1: Per EC 13203, “Beneath the heading line or lines, there shall be printed in **boldface type as large as the width of the ballot makes possible**, the number congressional, Senate, and Assembly district, the name of the county in which the ballot is to be voted, and the date of the election.”

Error #2: Per EC 13204(a), “(a) The instructions to voters shall be printed below the district designation. Thereafter, **there shall be printed in 10-point capital type** all of the following directions that are applicable to the ballot:”

Example of Arial 10pt capital type: THE LAZY DOG RUNS
(app 3.5mm high = 10pt)

Error #3: Per 13206.5(b);, “Within the box shall be printed the words “Voter-Nominated and Nonpartisan Offices.” Immediately below that phrase within the same box shall be printed the following: “All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate. **The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.**” << This last line is missing.

The last error, I believe, is the most important.
